3. Separate secured space for servers, T-1 lines, routers, and switches.

A. Introduction

The purpose of the presentation of the RFP is to create space for the North Shore Workforce Investment Board at a reasonable rate. The City/NSWIB anticipates that following the deadline for proposals, a committee will be formed which will discuss and recommend a proposal to the Mayor. The proposal that will be recommended should meet the minimum requirements as set forth in this RFP, provide a lease at a reasonable rate, and provide the needed space. Following the recommendation and approval by the Mayor to enter into a lease agreement, the City/NSWIB will undergo the necessary steps to confirm a lease agreement with the selected person or group.

Following the execution of the lease, it is the landlord's responsibility to deliver the premises to the City of Salem / NSWIB in conformance with the specifications included with the RFP. Please note that the landlord is responsible for the completion of construction documents prepared by licensed professionals (including final design layout), furnishing all labor and materials, securing all permits necessary to complete the work, and for achieving substantial completion in accordance with the provisions of the lease at the landlord's expense.

The City of Salem / NSWIB will take occupancy of the leased premises only after construction of the improvements are completed and the premises are deemed available for tenant's occupancy in accordance with the agreed upon lease. The City/NSWIB will confirm the date of occupancy, which will be the commencement date of the lease term. If the structure proposed to provide the required space requires rehabilitation, the City/NSWIB will sign a letter of intent for the lease agreement and then sign the full lease following the issuance of a certificate of occupancy for the space.

While all information presented in this Request for Proposals is from sources deemed reliable, this Request is subject to errors and omissions. This Request does not constitute an offer or promise to enter into a lease agreement and in no way is the City of Salem / NSWIB obligated to make a selection.

(2) Except as otherwise provided in this Lease, to keep the demised premises in good order, repair and condition, reasonable wear only excepted; and at the expiration or termination of this lease peaceably to yield up the demised premises and all changes and additions therein in such order, repair and condition, first removing all goods and effects of Tenant and those claiming under Tenant and any items the removal of which is required by any agreement between Landlord and Tenant (or specified therein to be removed at Tenant's election and which Tenant elects to remove), and repairing all damage caused by such removal and restoring the demised premises and leaving them clean and neat. Notwithstanding anything to the contrary contained herein, Tenant shall forthwith remove from the demised premises (repairing any damage caused by such removal) any installations, alterations, additions or improvements made by Tenant or Landlord, and which Landlord requests Tenant to remove within thirty (30) days after the expiration or termination of the term of this lease, such removal to include returning the previously modified portions of the demised premises to their condition prior to the making of such installations, alterations, additions or improvements. Tenant's obligations hereunder shall survive the expiration or termination of the term of this lease. For purposes of this Section (2) the word "repairs" includes the making of replacements when necessary.

(3) To use and occupy the demised premises only for the Permitted Use; and not to injure or deface the demised premises, Building, or Lot; and not to permit in the demised premises any auction sale, nuisance, or the emission from the demised premises of any objectionable noise or odor; nor any use thereof which is improper, offensive, contrary to law or ordinance or liable to invalidate or increase the premiums for any insurance on the Building (or any portion thereof) or its contents, or liable to render necessary any alteration or addition to the Building;

(4) INTENTIONALLY DELETED

(5) To comply with reasonable and non-discriminatory rules and regulations hereafter made by Landlord (but only after copies thereof have been delivered to Tenant) for the care and use of the Building and Lot and their facilities and approaches, it being expressly understood, however, that Landlord shall not be liable to Tenant for the failure of other tenants of the Building to conform to such rules and regulations;

(6) To keep the demised premises equipped with all safety appliances required by law or ordinance or any other regulation of any public authority and/or any insurance inspection or rating bureau having jurisdiction, and to procure all licenses and permits required because of any use made by Tenant and, if requested by Landlord, to do any work required because of such use, it being understood that the foregoing provisions shall not be construed to broaden in any way the Permitted Use;

(7) Not without the prior written consent of Landlord to assign, hypothecate, pledge or otherwise encumber this lease, to make any sublease or to permit occupancy of the demised premises or any part thereof by anyone other than Tenant voluntarily or by operation of law, and as additional rent, to reimburse Landlord promptly upon demand for reasonable legal and other expenses incurred by Landlord in connection with any request by Tenant for consent to assignment or subletting. Without intending to limit Landlord's discretion in granting or withholding such consent, it is agreed that if Tenant requests Landlord's consent to assign this lease or sublet more than fifteen percent (15%) of the demised premises, Landlord shall have the option, exercisable by written notice to Tenant given within sixty days after receipt of such request, to terminate this lease as of a date specified in such notice which shall be not less than thirty (30) or more than sixty (60) days after the date of such notice. If Landlord shall so terminate this lease, rent shall be apportioned as of the date of termination, and Landlord may lease the demised premises or any part thereof to any person or entity (including without limitation, Tenant's proposed assignee or subtenant, as the case may be) without any liability whatsoever to Tenant by reason thereof. If Landlord shall consent to any assignment of this lease by Tenant or a subletting of the whole of the demised premises by Tenant at a rent which exceeds the rent payable hereunder by Tenant, or if Landlord shall consent to a subletting of a portion of the demised premises by Tenant at a rent in excess of the subleased portion's pro rata share of the rent payable hereunder by Tenant, then Tenant shall pay to Landlord, as additional rent forthwith upon Tenant's receipt of each installment of any such excess rent, the full amount of any such excess rent. Each request by Tenant for permission to assign this lease or to sublet the whole or any part of the demised premises shall be accompanied by a representation and warranty by Tenant as to the amount of rent to be paid to Tenant by the proposed assignee or sublessee. For purposes of this Section (7), the term "rent" shall mean all fixed rent, additional rent or other payments and/or consideration payable by one party to another for the use and occupancy of premises. Tenant agrees, however, that neither it nor anyone claiming under it shall enter into any sublease, license, concession or other agreement for use, occupancy or utilization of space in the demised premises which provides for rental or other payment for such use, occupancy or utilization based, in whole or in part, on the net income or profits derived by any person or entity from the space leased, used, occupied or utilized (other than an amount based on a fixed percentage or percentages of receipts or sales), and Tenant agrees that any such purported sublease, license, concession or other agreement shall be absolutely void and ineffective as a conveyance of any right or interest in the possession, use, occupancy, or utilization of any part of the demised premises. Tenant further agrees that any sublease, license, concession or agreement for use, occupancy or utilization of space in the demised premises entered into by it or by anyone claiming under it shall contain the provisions set forth in the immediately preceding sentence. Tenant further agrees that if a sublease is entered into, neither the rent payable thereunder nor the amount thereof passed on to any person or entity shall have deducted therefrom tiny expenses or costs related in any way to the subleasing of such space. If and whenever Tenant shall not be a so-called "publicly held" company, it is understood and agreed that the transfer of fifty percent (50%) or more of the stock in Tenant of any class (whether at one time or at intervals) shall constitute an "assignment" of Tenant's interest in this lease. If there shall be any assignment or subletting by Tenant pursuant to the provisions of this Section (7), Tenant shall remain primarily liable for the performance and observance of the covenants and agreements herein contained on the part of Tenant to be performed and observed, such liability to be (in the case of any assignment) joint and several with that of such assignee. It is expressly understood and agreed that no assignment of Tenant's interest in this lease shall be effective until such time as Tenant shall deliver to Landlord an agreement from the assignee, which agreement shall be reasonably satisfactory to Landlord in form and substance and shall provide that the assignee agrees with Landlord to be primarily liable for the performance and observance of the covenants and agreements herein contained on the part of Tenant to be performed and observed, such liability to be joint and several with that of Tenant;

(8) To defend landlord, with counsel acceptable to Landlord, save Landlord harmless from, and indemnify Landlord against any liability for injury, loss, accident or damage to any person or property and from any claims, actions, proceedings and expenses and costs in connection therewith (including, without implied limitation, reasonable counsel's fees): (i) arising from the omission, fault, willful act, negligence or other misconduct of Tenant or anyone claiming under Tenant, or from any use made or thing done or occurring upon or about the demised premises but not due to the omission, fault, willful act, negligence or other misconduct of Landlord, or (ii) resulting from the failure of Tenant to perform and discharge its covenants and obligations under this lease;

(9) To maintain public liability insurance upon the demised premises in amounts which shall, at the beginning of the term, be at least equal to \$2,000,000.00 for bodily injury or death to one or more individuals and \$500,000.00 for damage to property, and from time to time during the term, shall be for such higher limits, if any, as are customarily carried in the area in which the demised premises are located upon property similar in type and use

to the demised premises. Such insurance shall name Landlord as an additional insured. Tenant shall deliver to Landlord the policies of such insurance, or certificates thereof at least fifteen (15) days prior to the Commencement Date, and each renewal policy or certificate thereof, at least fifteen (15) days prior to the expiration of the policy it renews. Each such policy shall be written by a responsible insurance company authorized to do business in the Commonwealth of Massachusetts and shall provide that the same shall not be modified or terminated without at least twenty (20) days' prior written notice to each named insured;

(10) To keep all employees working in the demised premises adequately covered by workmen's compensation insurance in amounts no less than that required by law, and to furnish Landlord with certificates thereof;

(11) To permit Landlord and its agents entry: to examine the demised premises at reasonable times and, if Landlord shall so elect, to make repairs, alterations and replacements; to remove, at Tenant's expense, any changes, additions, signs, curtains, blinds, shades, awnings, aerials, flagpoles, or the like not consented to in writing; and to show the demised premises to prospective tenants during the twelve (12) months preceding the expiration of the term of this lease and to prospective purchasers and mortgagees at all reasonable times;

(12) Not to place a load upon any part of the floor of the demised premises exceeding that for which said floor was designed or in violation of what is allowed by law; and not to move any safe, vault or other heavy equipment in, about or out of the demised premises except in such manner and at such times as Landlord shall approve in writing in each instance. Tenant's machines and mechanical equipment which cause vibration or noise that may be transmitted to the Building structure or to any other space in the Building shall be placed and maintained by Tenant in settings of cork, rubber, spring, or other types of vibration eliminators sufficient to confine such vibration or noise to the demised premises;

(13) All furnishings, fixtures, equipment, effects and property of every kind, nature, and description of Tenant and all persons claiming by, through or under Tenant which may be in the demised premises or elsewhere in the Building shall be at the sole risk and hazard of Tenant, and if the whole or any part thereof shall be destroyed or damaged by fire, water or otherwise, or by the leakage or bursting of water pipes, steam pipes or other pipes, by theft, or from any other cause, no part of said loss or damage is to be charged to or borne by Landlord.

(14) To pay promptly when due the entire cost of any work done on the demised premises by Tenant and those claiming under Tenant; not to cause or permit any liens for labor or materials performed or furnished in connection therewith to attach to the demised premises; and immediately to discharge any such liens which may so attach;

(15) Not to make any exterior or structural alterations, improvements, changes or additions (nor any interior non-structural alterations, improvements, changes or additions which would affect any common utility or mechanical system in the Building) to the demised premises without Landlord's prior written consent. All construction work permitted by Landlord to be undertaken by Tenant shall be done in a good and workmanlike manner and in compliance with the applicable laws, ordinances, regulations and orders of governmental authorities and insurance rating or inspection bureaus. Landlord shall have the right (but not the obligation) to inspect the work of the Tenant at reasonable times and Tenant shall correct any deficiencies in said work as noted by Landlord;

(17) To insure the contents, equipment, and improvements of Tenant and those claiming under Tenant, under policies covering at least fire and the standard extended coverage risks, in amounts equal to the replacement cost thereof, the terms of which policies shall provide that such insurance shall not be canceled without at least twenty (20) days' prior written notice to Landlord. Copies of such insurance policy or policies, or certificates thereof, shall be delivered to Landlord at least fifteen (15) days prior to the Commencement Date and each renewal policy or certificate thereof, at least fifteen (15) days prior to the expiration of the policy it renews;

(18) To pay Landlord's expenses, including reasonable attorney's fees, incurred in enforcing any obligation of Tenant in this lease; and

**ARTICLE VII
DEFAULT**

7. (A) EVENTS OF DEFAULT

(1) If Tenant shall default in the payment of Fixed Rent, additional rent or other payments required of Tenant, and if Tenant shall fail to cure said default within seven (7) days after receipt of notice of said default from Landlord, or (2) if Tenant shall default in the performance or observance of any other agreement or condition on its part to be performed or observed and if Tenant shall fail to cure said default within fifteen (15) days after receipt of notice of said default from Landlord (but if longer than fifteen days shall be reasonably required to cure said default, then if Tenant shall fail to commence the curing of such default within fifteen days after receipt of said notice and diligently prosecute the curing thereof to completion), or (3) if any person shall levy upon, or take this leasehold interest or any part thereof upon execution, attachment or other process of law, or (4) if Tenant shall make an assignment or its property for the benefit of creditors, or (5) if Tenant shall be declared bankrupt or insolvent according to law, or (6) if any bankruptcy or insolvency proceedings shall be commenced by or against Tenant, or (7) if a receiver, trustee or assignee shall be appointed for the whole or any part of Tenant's property, or (8) if Tenant shall vacate the demised premises, then in any of said cases, Landlord lawfully may immediately, or at any time thereafter, and without any further notice or demand, enter into and upon the demised premises or any part thereof in the name of the whole, by force or otherwise, and hold the demised premises as if this lease had not been made, and expel Tenant and those claiming under it and remove its or their property (forcibly, if necessary) without being taken or deemed to be guilty of any manner of trespass (or Landlord may send written notice to Tenant of the termination of this lease), and upon entry as aforesaid (or in the event that Landlord shall send Tenant notice of termination as above provided, on the fifth (5th) day next following the (date of the sending of the notice), the term of this lease shall terminate. Notwithstanding the provisions of clauses (1) and (2) of the immediately preceding sentence, if Landlord shall have rightfully given Tenant notice of default pursuant to either or both of said clauses twice during any twelve (12) month period, and if Tenant shall thereafter default in the payment of Fixed Rent, additional rent or other payments and/or the performance or observance of any other agreement or condition required of Tenant, then Landlord may exercise the right of termination provided for it in said immediately preceding sentence without first giving Tenant notice of such default and the opportunity to cure the same within the time provided in said clause (1) and/or clause (2), as the case may be. Tenant hereby expressly waives any and all rights of redemption granted by or under any present or future laws in the event of Tenant being evicted or dispossessed for any cause, or in the event Landlord terminates this lease as provided in this Article. Termination of Lease due to unavailability of funding shall not be deemed default.

(B) OBLIGATIONS THEREAFTER

In case of any such termination, Tenant will indemnify Landlord each month against all loss of Fixed Rent and additional rent and against all obligations which Landlord may incur by reason of any such termination between the time of termination and the expiration of the term of this lease; or at the election of Landlord, exercised at the time of termination or at any time thereafter, Tenant will indemnify Landlord each month until the exercise of the election against all loss of Fixed Rent and additional rent and against all obligations which Landlord may incur by reason of such termination during the period between the time of the termination and the exercise of the election, and upon the exercise of the election Tenant will pay to Landlord as damages such amount as at the time of the exercise of the election represents the amount by which the rental value of the demised premises for the period from the exercise of the election until the expiration of the term of this lease shall be less than the amount of rent and other payments provided herein to be paid by Tenant to Landlord during said period. It is understood and agreed that at the time of the termination or at any time thereafter Landlord may rent the demised premises, and for a term which may expire before or after the expiration of the term of this lease, without releasing Tenant from any liability whatsoever, that Tenant shall be liable for any expenses incurred by Landlord in connection with obtaining possession of the demised premises, with removing from the demised premises property of Tenant and persons claiming under it (including warehouse charges), with putting the demised premises into good condition for reletting, and with any reletting, including, but without limitation, reasonable attorneys' fees and brokers fees, and that any monies collected from any reletting shall be applied first to the foregoing expenses and then to the payment of Fixed Rent, additional rent and all other payments due from Tenant to Landlord.

**ARTICLE VIII
CASUALTY AND TAKING**

8. (A) CASUALTY AND TAKING

In case during the term of this lease all or any substantial part of the demised premises, the Building, or Lot or any one or more of them, are damaged by fire or any other casualty or by action of public or other authority or are taken by eminent domain, this lease shall terminate at Landlord's election, which may be made notwithstanding Landlord's entire interest may have been divested, by notice given to Tenant within thirty (30) days after the occurrence of the event giving rise to the election to terminate. Said notice shall, in the case of damage as aforesaid, specify the effective date of termination which shall be not less than thirty (30) nor more than sixty (60) days after the date of notice of such termination. In the case of any such taking by eminent domain, the effective date of the termination shall be the day on which the taking authority shall take possession of the taken property. Fixed Rent and additional rent shall be apportioned and adjusted as of the elective date of any such termination. If in any such case the demised premises are rendered unfit for use and occupation and this lease is not so terminated, Landlord shall use due diligence to put the demised premises, or, in the case of a taking, what may remain thereof (excluding any items which Tenant may be required or permitted to remove from the demised premises at the expiration of the term of this lease) into proper condition for use and occupation, but Landlord shall not be required to spend more than the net proceeds of insurance or award of damages it receives therefor, and a just proportion of the Fixed Rent and additional rent according to the nature and extent of the injury to the demised premises shall be abated until the demised premises or such remainder shall have been put by Landlord in such condition; and in case of a taking which permanently reduces the area of the demised premises, a just proportion of the Fixed Rent shall be abated for the remainder of the Term.

(B) RESERVATION OF AWARD

Landlord reserves to itself any and all rights to receive awards made for damage to the demised premises, Building or Lot and the leasehold hereby created, or any one or more of them, accruing by reason of any exercise of the right of eminent domain or by reason of anything done in pursuance of public or other authority. Tenant hereby releases and assigns to Landlord all of Tenant's rights to such awards, and covenants to deliver such further assignments and assurances thereof as Landlord may from time to time request, hereby irrevocably designating and appointing Landlord as its attorney-in-fact to execute and deliver in Tenant's name and behalf all such further assignments thereof. It is agreed and understood, however, that Landlord does not reserve to itself, and Tenant does not assign to Landlord, any damages payable for (i) movable equipment installed by Tenant or anybody claiming under Tenant at its own expense or (ii) relocation expenses, but in each case only if and to the extent that such damages are recoverable by Tenant from such authority in a separate action and without reducing Landlord's award of damages.

**ARTICLE IX
MORTGAGEE**

9. (A) SUBORDINATION TO MORTGAGES

It is agreed that the rights and interest of Tenant under this lease shall be: (i) subject and subordinate to the lien of any present or future first mortgage and to any and all advances to be made thereunder, and to the interest thereon, upon the demised premises or any property of which the demised premises are a part, if the holder of such mortgage shall elect, by notice to Tenant, to subject and subordinate the rights and interest of Tenant under this lease to the lien of its mortgage; or (ii) prior to the lien of any present or future first mortgage, if the holder of such mortgage shall elect, by notice to Tenant, to give the rights and interest of Tenant under (this lease priority to the lien of its mortgage. It is understood and agreed that the holder of such mortgage may also elect, by notice to Tenant, to make some provisions hereof subject and subordinate to the lien of its mortgage while granting other provisions hereof priority to the lien of its mortgage. In the event of any of such elections, and upon notification by the holder of such mortgage to that effect, the rights and interest of Tenant under this lease shall be deemed to be subordinate to, or to have priority over, as the case may be, the lien of said mortgage, irrespective of the time of execution or time of recording of any such mortgage. Tenant agrees that it will, upon request of Landlord, execute, acknowledge and deliver any and all instruments deemed by Landlord necessary or desirable to evidence or to give notice of such subordination or priority. The word "mortgage" as used herein includes mortgages, deeds of trust or other similar instruments and modifications, consolidations, extensions, renewals, replacements and substitutes

thereof. Whether the lien of any mortgage upon the demised premises or any property of which the demised premises are a part shall be superior or subordinate to this lease and the lien hereof, Tenant agrees that it will, upon request, attorn to the holder of such mortgage or anyone claiming under such holder and their respective successors and assigns in the event of foreclosure of or similar action taken under such mortgage. Tenant further agrees that it shall not subordinate its interest in this lease to the lien of any junior mortgage, security agreement or lease affecting the demised premises, unless the holder of the first mortgage upon the demised premises or property which includes the demised premises shall consent thereto.

(B) LIMITATION ON MORTGAGEE'S LIABILITY

Upon entry and taking possession of the mortgaged premises for any purpose, the holder of a mortgage shall have all rights of Landlord, and during the period of such possession Landlord, not such mortgage holder, shall have the duty to perform all of Landlord's obligations hereunder. No such holder shall be liable, either as a mortgagee or as holder of a collateral assignment of this lease, to perform, or be liable in damages for failure to perform, any of the obligations of Landlord unless and until such holder shall succeed to Landlord's interest herein through foreclosure of its mortgage or the taking of a deed in lieu of foreclosure, and thereafter such mortgage holder shall not be liable for the performance of any of Landlord's obligations hereunder, except for the performance of those obligations which arise during the period of time that such mortgage holder holds Landlord's right, title and interest in this lease, such liability to be limited to the same extent as Landlord's liability is limited pursuant to Section 10(E) hereof.

(C) NO RELEASE OR TERMINATION

No act or failure to act on the part of Landlord which would entitle Tenant under the terms of this lease, or by law, to be relieved of any of Tenant's obligations hereunder or to terminate this lease, shall result in a release or termination of such obligations or a termination of this lease unless (i) Tenant shall have first given written notice of Landlord's act or failure to act to Landlord's mortgagees of record, if any, specifying the act or failure to act on the part of Landlord which could or would be the basis of Tenant's rights, and (ii) such mortgagees, after receipt of such notice, have failed or refused to correct or cure the condition complained of within a reasonable time thereafter, but nothing contained in this Section (C) shall be deemed to impose any obligation on any such mortgagee to correct or cure any such condition. "Reasonable time" as used above means and includes a reasonable time to obtain possession of the mortgaged premises, if the mortgagee elects to do so, and a reasonable time to correct or cure the condition. Finally, Tenant agrees that so long as any present or future mortgage shall remain in effect Tenant shall not alter, modify, amend, change, surrender or cancel this lease nor pay the rent due hereunder in advance for more than thirty (30) days, except as may be required herein, without the prior written consent of the holder thereof, and Tenant will not seek to be made an adverse or defendant party in any action or proceeding brought to enforce or foreclose such mortgage.

**ARTICLE X
GENERAL PROVISIONS**

10. (A) CAPTIONS

The captions of the Articles are for convenience and are not to be considered in construing this lease.

(B) SHORT FORM LEASE

Upon request of either party both parties shall execute and deliver a short form of this lease in form appropriate for recording, and if this lease is terminated before the term of this lease expires, an instrument in such form acknowledging the date of termination. No such short form lease shall contain any indication of the amount of the rentals payable hereunder by Tenant.

(C) NOTICES

All notices and other communications authorized or required hereunder shall be in writing and shall be given by mailing the same by certified or registered mail, return receipt requested, postage prepaid, by mailing the

same by Express Mail or by having the same delivered by a commercial delivery service such as Federal Express, UPS, Purolator Courier and the like. If given to Tenant the same shall be directed to Tenant at Tenant's Address or to such other person or at such other address as Tenant may hereafter designate by notice to Landlord; and if given to Landlord the same shall be directed to Landlord at Landlord's Address, or to such other person or at such other address as Landlord may hereafter designate by notice to Tenant. In the event the notice directed as above provided shall not be received upon attempted delivery thereof to the proper address and shall be returned by the Postal Service or delivery service to the sender because of a refusal of receipt, the absence of a person to receive it, or otherwise, the time of the giving of such notice shall be the first business day on which delivery was so attempted.

After receiving notice from Landlord or from any person, firm or other entity that such person, firm or other entity holds a mortgage which includes the demised premises as part of the mortgaged premises, no notice from Tenant to Landlord shall be effective unless and until a copy of the same is given by certified or registered mail to such holder, and the curing of any of Landlord's defaults by such holder shall be treated as performance by Landlord, it being understood and agreed that such holder shall be afforded a reasonable period of time after the receipt of such notice in which to effect such cure.

(D) SUCCESSORS AND ASSIGNS

The obligations of this lease shall run with the land, and this lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns, except that the Landlord named herein and each successive owner of Landlord's interest in this lease shall be liable only for the obligations of Landlord accruing during the period of its ownership. Whenever Landlord's interest in this lease is owned by a trustee or trustees, the obligations of Landlord shall be binding upon Landlord's trust estate, but not upon any trustee, beneficiary or shareholder of the trust individually. Without limiting the generality of the foregoing, and whether or not Landlord's interest in this lease is owned by a trustee or trustees, Tenant specifically agrees to look solely to Landlord's interest in the Building and Lot for recovery of any judgment from Landlord, it being specifically agreed that neither Landlord, any trustee, beneficiary or shareholder of any trust estate for which Landlord acts nor any person or entity claiming by, through or under Landlord shall ever otherwise be personally liable for any such judgment.

(E) NO SURRENDER

The delivery of keys to any employee of Landlord or to Landlord's agent or any employee thereof shall not operate as a termination of this lease or a surrender of the demised premises.

(F) WAIVERS AND REMEDIES

The failure of Landlord or of Tenant to seek redress for violation of, or to insist upon the strict performance of any covenant or condition of this lease, or, with respect to such failure of Landlord, any of the rules and regulations referred to in Section 6(5) hereafter adopted by Landlord, shall not be deemed a waiver of such violation nor prevent a subsequent act, which would have originally constituted a violation, from having all the force and effect of an original violation, nor shall the failure of Landlord to enforce any of said rules and regulations against any other tenant in the Building be deemed a waiver of any such rules or regulations as far as Tenant is concerned. The receipt by Landlord of Fixed Rent or additional rent with knowledge of the breach of any covenant of this lease shall not be deemed a waiver of such breach by Landlord unless such waiver be in writing signed by Landlord. No consent or waiver express or implied, by Landlord or Tenant to or of any breach of any agreement or duty shall be construed as a waiver or consent to or of any other breach of the same or any other agreement or duty. No acceptance by Landlord of a lesser sum than the Fixed Rent and additional rent then due shall be deemed to be other than on account of the earliest installment of such rent due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed as accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such installment or pursue any other remedy available to it. The specific remedies to which Landlord may resort under the terms of this lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may

be lawfully entitled in case of any breach or threatened breach by Tenant of any provisions of this lease. In addition to the other remedies provided in this lease, Landlord shall be entitled to the restraint by injunction of the violation or attempted or threatened violation of any of the covenants, conditions or provisions of this lease or to a decree compelling specific performance of any such covenants, conditions or provisions. If any term of this lease, or the application thereof to any person or circumstances shall be held, to any extent, to be invalid or unenforceable, the remainder of this lease, or the application of such term to persons or circumstances other than those as to which it has been held invalid or unenforceable, shall not be affected thereby, and each term of this lease shall be valid and enforceable to the fullest extent permitted by law. If any interest to be paid by Tenant hereunder shall exceed the highest lawful rate which Landlord may recover from Tenant, such interest shall be reduced to such highest lawful rate of interest.

(G) SELF-HELP

If Tenant shall at any time default in the performance of any obligation under this lease, Landlord shall have the right, but shall not be obligated, to enter upon the demised premises and to perform such obligation, notwithstanding the fact that no specific provision for such performance by Landlord is made in this lease with respect to such default. In performing such obligation, Landlord may make any payment of money or perform any other act. All sums so paid by Landlord (together with interest, from the time paid by Landlord until the time Tenant repays the same to Landlord, at the rate of twelve percent (12%) per annum, compounded monthly), shall be deemed to be additional rent and shall be payable to Landlord immediately on demand. Landlord may exercise the foregoing right without waiving any other of its rights or releasing Tenant from any of its obligations under this lease.

(H) ESTOPPEL CERTIFICATE

Tenant agrees from time to time, upon not less than ten (10) days' prior written request by Landlord, to execute, acknowledge and deliver to Landlord a statement in writing certifying that this lease is unmodified and in full force and effect; that Tenant has no defenses, offsets or counterclaims against its obligations to pay the Fixed Rent and additional rent and to perform its other covenants under this lease; that there are no uncured defaults of Landlord or Tenant under this lease (or, if there have been any modifications, that this lease is in full force and effect as modified and stating the modifications, and, if there are any defenses, offsets, counterclaims, or defaults, setting them forth in reasonable detail); and the dates to which the Fixed Rent, additional rent and other charges have been paid. Any such statement delivered pursuant to this Section (H) may be relied upon by any prospective purchaser or mortgagee of premises which include the demised premises or any prospective assignee of any such mortgagee.

(I) WAIVER OF SUBROGATION

(1) Tenant hereby releases Landlord to the extent of Tenant's insurance coverage, from any and all liability for any loss or damage caused by fire or any of the extended coverage casualties or any other casualty insured against, even if such fire or other casualty shall be brought about by the fault or negligence of Landlord or its agents, provided, however this release shall be in force and effect only with respect to loss or damage occurring during such time as Tenant's policies covering such loss or damage shall contain a clause to the effect that this release shall not affect said policies or the right of Tenant to recover thereunder. Tenant agrees that its fire and other casualty insurance policies will include such a clause so long as the same is includable without extra cost, or if extra cost is chargeable therefor, so long as Landlord pays such extra cost. If extra cost is chargeable therefor, Tenant will advise Landlord thereof and of the amount thereof. Landlord at its election, may pay the same, but shall not be obligated to do so.

(2) Landlord hereby releases Tenant, to the extent of the Landlord's insurance coverage, from any and all liability for any loss or damage caused by fire or any of the extended coverage casualties or any other casualty insured against, even if such fire or other casualty shall be brought about by the fault or negligence of Tenant or its agents, provided, however, this release shall be in force and effect only with respect to loss or damage occurring during such time as Landlord's policies covering such loss or damage shall contain a clause to the effect that this release shall not affect said policies or the right of Landlord to recover thereunder. Landlord agrees that its fire and other casualty insurance policies will include such a clause so long as the same is includable without extra cost, or if extra cost is chargeable therefor, so long as Tenant pays such extra cost. If extra cost is chargeable therefor,

Landlord will advise Tenant thereof and of the amount thereof. Tenant at its election may pay the same, but shall not be obligated to do so.

(J) BROKERS

Tenant hereby represents and warrants to Landlord that it has dealt with no broker in connection with this lease and there are no brokerage commissions or other finders' fees payable in connection herewith. Tenant hereby agrees to hold Landlord harmless from, and indemnified against, all loss or damage (including without limitation, the cost of defending the same) arising from any claim by any broker claiming to have dealt with Tenant.

(K) LANDLORD'S DEFAULTS

Landlord shall not be deemed to have committed a breach of any obligation to make repairs or alterations or perform any other act unless: (1) it shall have made such repairs or alterations or performed such other act negligently; or (2) it shall have received notice from Tenant designating the particular repairs or alterations needed or the other act of which there has been failure of performance and shall have failed to make such repairs or alterations or performed such other act within a reasonable time after the receipt of such notice; and in the latter event Landlord's liability shall be limited to the cost of making such repairs or alterations or performing such other act. Landlord shall not be liable in any event for incidental or consequential damages to Tenant by reason of Landlord's default. Tenant shall have no right to terminate this Lease for any default by Landlord hereunder and no right, for any such default, to offset or counterclaim against any rent due hereunder.

(L) EFFECTIVENESS OF LEASE; TERMINATION OF PRIOR LEASE

The submission of this lease for examination does not constitute a reservation of or option for, the demised premises, and this lease becomes effective as a lease only upon execution and unconditional delivery thereof by both Landlord and Tenant. Upon such delivery, the Lease Agreement between Landlord and Tenant dated June 17, 1999 shall terminate and be of no further force and effect.

(M) HAZARDOUS MATERIALS

Tenant shall not (either with or without negligence) cause or permit the escape, disposal or release of any biologically or chemically active or other hazardous substances, or materials. Tenant shall not allow the storage or use of such substances or materials in any manner not sanctioned by law or by the highest standards prevailing in the industry for the storage and use of such substances or materials, nor allow to be brought into the Lot any such materials or substances except to use in the ordinary course of Tenant's business, and then only after written notice is given to Landlord of the identity of such substances or materials. In addition, Tenant shall execute affidavits, representations and the like from time to time at Landlord's request concerning Tenant's best knowledge and belief regarding the presence of hazardous substances or materials in or on the demised premises. In all events, Tenant shall indemnify Landlord in the manner elsewhere provided in this lease from any release of hazardous materials on the demised premises occurring while Tenant is in possession, or elsewhere if caused by Tenant or persons acting under Tenant. The within covenants shall survive the expiration or earlier termination of the term of this lease.
